

Family Voice and Inclusion Services Parent Carer Hubs

**Hosted by Family Voice Peterborough,
Orton Goldhay Centre, Peterborough, PE2 5QP**

The hubs aims to give you time and space to reflect with a professional from one of the SEN and Inclusion Services on situations and consider ways to help move things forward for you and your child/young person. Your child / young person does not need to attend, but another professional or friend can accompany you. There are no written notes or records from the conversations, and we do not share any information discussed with other professionals but you are welcome to take your own notes.

To book an appointment please contact Family Voice Peterborough: **01733 685510** www.familyvoice.org
