

EMPOWERING PARENTS AND CARERS OF DISABLED CHILDREN SINCE 2009

our vision

To ensure that parent carers have the services that they need, are informed, can contribute, and are empowered to support their child and peers, and can balance their carer role by accessing wider opportunities

Supporting over 800 families

We are the designated Department for Education parent carer forum for Peterborough; offering support for parents carers of disabled children and young adults. We seek to improve services that affect the lives of children and young people with SEND

A helping hand

We are all about improving lives of the families we support and doing anything we can to help them. We offer families with a low- income budget friendly holidays in our two caravans. Parent carers can take their children away on a break without the worry of finances. We also run regular day- trips at a subsidised cost. We love Alton Towers and the seaside.

Heart of the community

We use our community centre in Orton Goldhay, Peterborough to put on events for the local community. Children are invited to come along and enjoy themselves, whilst the parent carers can seek advice from the Family Voice team and professionals. We also run workshops to educate, inform and provide advice

Form a corporate partnership with us

We are looking local businesses to partner with us to to allow us to continue our good work supporting Peterborough and those in need. For more information please contact Louise our Chief Operating Officer at louise@familyvoice.org or 01733 685510.
