

Waitrose & Partners have kindly donated to us £333.00 as part of their Community Matters Initiative Scheme. To find out more head over to their website:

[https://www.waitrose.com/content/waitrose/en/home/inspiration/community\\_matters.html](https://www.waitrose.com/content/waitrose/en/home/inspiration/community_matters.html)

The donation means so much to us during the current global pandemic; it will be put towards continuing to provide much needed advice and guidance for parent carers, as well as enabling us to continue delivering weekly food parcels to those most in need.

If you are a business who can offer us any form of support during these challenging times please get in touch via [office@familyvoice.org](mailto:office@familyvoice.org)
