

Family Voice Peterborough Parent Carer Hub With Peterborough City Council Inclusion Services (SENI)

The hubs aims to give you time and space to reflect with a professional from one of the SEN and Inclusion Services (Seni) on situations and consider ways to help move things forward for you and your child/young person. Your child/young person does not need to attend, but another professional or friend can accompany you. There is no written notes or records from the conversations,, and we do not share any information discussed with other professionals but you are welcome to take your own notes.
